## Waiting Lists and In Year (ie after term has started) Admissions at Hamilton Primary.

---

We no longer have a School Waiting List Application Form, as the system changed in September 2010 and is now coordinated by County.

The forms are now available from the Admissions

Team at county: [admissions@buckcc.gov.uk](mailto:admissions@buckcc.gov.uk)

or 01296 383250

Any queries re Waiting Lists or In Year Admission (when school has already started) are forwarded to the Admissions Team at county, so you can save time by contacting them directly for information.

The new system works well as the Admissions Team now has knowledge of each schools empty places.

Parents can be offered a place much more quickly than having to phone each school to find a place.

Hamilton Primary School - March 2011
