To all parents

Dear Parents,

## PARENTS' INFORMATION EVENING - Thursday 26 January, 7pm Hampden Road hall

How Do Children Learn Maths?	and	Academy status - is it right for Hamilton? An opportunity to give us your views
------------------------------	-----	--

You are warmly invited to attend a session run by our Maths co-ordinator, Miss Bowen, to hear about how children learn to calculate in maths and how these skills progress as they move from Reception through to Year 6. This will enable you to support your children at home.

This will be followed by an opportunity for parents to raise any questions they have as part of the consultation process for change to Academy status.

Please note that this information evening is for parents and carers only and it is not appropriate for children to attend.

If you are able to attend, please complete the reply slip below and return to the school office.

I look forward to welcoming you.

Yours sincerely

Graeme Aldous  
Headteacher

David Raleigh  
Chair of Governors
