

Hamilton Primary School : School Closed Wednesday 13th JAN

We regret that the school has once again had to be closed due to the snow.

Mr Aldous regrets the inconvenience of this very late notification but it was very difficult to assess the conditions today until he arrived at the school and found that the local conditions had deteriorated significantly.

The new snow on top of the frozen snow and ice has made conditions too dangerous to safely get to and from the school.

We will keep you informed about tomorrow as soon as we have more information.
