

# REMOTE LEARNING PROVISION

## Hamilton School

If the school is closed for longer than one day (for example due to snow or other unforeseen circumstances) then work will be set on Teams for pupils to work independently. For those without access to an electronic device, booklets will be provided and delivered to pupils addresses.

Below is further guidance on remote learning if the school is forced to close for extended periods of time.

All students will follow a timetable, as close as possible to their school based one and will include independent study and live taught lessons.

Students will start the day with a live tutor session through Google Meet. Your child should be logged on and live by 8.45am.
