Headteachers Message

Dear Parents and Carers,

As we reach the end of another busy and successful half term, I would like to take the opportunity to share some of the wonderful experiences and achievements our students have enjoyed over the past few weeks.

A particular focus this half term has been supporting our Year 11 students as they begin their examinations. We are incredibly proud of the maturity, resilience, and determination they have shown during this important period. Staff continue to provide guidance and encouragement, and we wish all of our Year 11 students every success as they continue through their exams.

Students across several year groups have also enjoyed exciting visits to Dinton Pastures as part of their outdoor education programme. These trips have provided valuable opportunities for students to develop their teamwork, communication, and problem-solving skills through a range of orienteering activities. It has been wonderful to see students challenge themselves, build confidence, and enjoy learning outside of the classroom environment.

We are also delighted to have welcomed several new students to our school community this half term. They have settled in extremely well, and we thank both students and staff for helping them feel so welcome. Our school community continues to grow stronger through the kindness and support shown to one another each day.

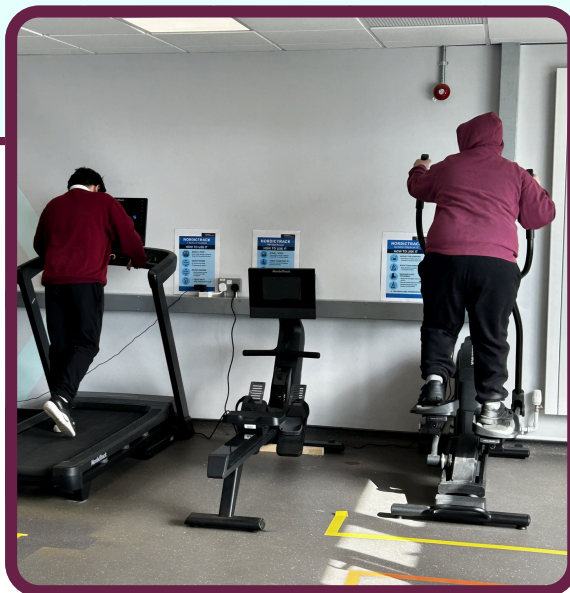

Another exciting development has been the continued use of our new gym facilities. Students have taken part in gym inductions, learning how to safely and effectively use the equipment while developing their understanding of fitness, wellbeing, and healthy lifestyles. The enthusiasm shown during these sessions has been fantastic to see.

We are also extremely proud to celebrate the creative achievements of several of our students whose stories have been selected for publication in a book titled Stranger Sagas. This is a fantastic accomplishment and reflects the imagination, dedication, and talent of our young writers. Having work published is a significant achievement, and we congratulate all students involved for their hard work and creativity.

Thank you, as always, for your continued support throughout the term. We are incredibly proud of all our students and the positive attitude they bring to school each day.

We wish you all a restful and enjoyable half term break.

Miss Sarah Concannon

We look forward to welcoming students back on Monday 1 June
