

25 June 2026

Dear Parents / Carers

Full School Closure – Friday 26 June

Further to our letter sent yesterday, I am writing to confirm that Hamilton School will now be closed for the entire day on Friday 26 June due to the extreme heat warnings that have been issued.

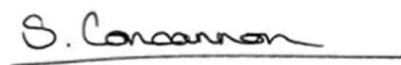

Following a further assessment of the forecast temperatures and the impact on the school environment, we have concluded that we cannot safely maintain suitable conditions for pupils and staff throughout the day.

The safety and wellbeing of our school community must remain our priority, and this decision has been made to minimise the risks associated with the exceptionally high temperatures expected.

The school will reopen as normal on Monday, subject to any further guidance or changes in weather conditions. Should there be any further updates, we will communicate these to you as soon as possible.

We apologise for any inconvenience this may cause and thank you for your understanding and support.

Yours sincerely

Sarah Concannon
Headteacher
