Dear Parent/Guardian

Annual School Survey

Every year at Maiden Erlegh Trust we ask parents and students to participate in our annual school survey.

We are very lucky as we typically get a good number of responses, both from parents and students. The feedback is overwhelmingly positive and constructive and this is encouraging, as it is always good to know what we are doing well and what you would like us to keep doing. We would very much appreciate your views on what we can do to make things even better, however.

Your views are extremely important and make a real difference. They feed into school improvement planning which will start shortly in preparation for next year. Once the survey has been completed and analysed, school leaders will feed back to you via the website. You can see the Maiden Erlegh Chiltern Edge example [HERE](#).

Mrs Wilton, Mrs Straw and I would very much appreciate it if you could spare some time to fill in the parent survey, and encourage your child to complete the student survey. They are not long and they are anonymous.
