20 October 2023

Dear Parent/Guardian

'Trust Virtual Technical Qualifications and Apprenticeships Information Evening for Parents and Guardians' – Tuesday 7 November 2023 – 6-7pm via Zoom

Further to my recent letter dated 16 October regarding the 'Trust Virtual Technical Qualifications Information Evening for Parents and Guardians' – we have two important updates to share with you.

First, my apologies that we have needed to update the 'Registration of Interest' form link due to an issue with the original link. Therefore, if you had already registered your interest for the event OR wish to do so now – please complete the NEW form via the following NEW link: <https://forms.office.com/e/CMUUMZR47F>

Once we have received forms expressing interest – a zoom link will be sent to you in time for the event. The link will likely be sent to you on Monday 6 November 2023.

Second, we are delighted to confirm that we will be joined by a current Apprentice from PwC (a global provider of consultancy and advisory services for businesses and organisations), who will be sharing his experience of what it is like to be an apprentice, as well as top tips for success through the recruitment process. In addition, we are also delighted to announce that Lauren Davies from Reading College will be joining us to provide an up-to-date walk through some of the wonderful technical qualifications on offer.

We look forward to seeing you on Tuesday 7 November for what promises to be an informative and interesting event.

With thanks and best wishes.
Yours sincerely,

Mrs A Finlason
Trust Careers Adviser
