17 April 2024

Dear Parents & Carers

Careers Trip – Thursday 25 April 2024

Before the Easter break, students from Year 9 and 10 had the opportunity to hear about the world of work from two visitors from Westcoast, a British IT distribution company that claims to be “the biggest company no-one’s heard of”. The visitors explained the different roles that can be found in a large company like Westcoast, and the types of skills and characteristics that employers look for. The students were fully engaged throughout the session, many questions were asked, and the VR headsets were a particular hit with the students.

The second part of this project run together with Speakers4Schools will take place on Thursday 25 April 2024, 12pm to 2:30pm, with students travelling by minibus. This will be a visit to the Westcoast warehouse to participate in an “Inside the Factory” type experience. This will give the students an opportunity to experience different roles within Westcoast.

This is not a compulsory trip, but I would ask you to talk with your child and encourage them to come along.

To consent to this trip, please complete the online consent form [here](#).

If you have any questions, please do not hesitate to contact me.

Yours faithfully

Mr Versace
Transition and Careers Lead
