Dear Parents and Guardians

I am delighted to share the fantastic news that our school has been awarded a **"Good"** rating by Ofsted. This marks a significant and transformative improvement for our school. Please take time to read our report by clicking [HERE](#).

The journey Hamilton School have been on to achieve "Good" has been a testament to the dedication, hard work, and unwavering commitment of our entire school community. I would like to express how proud I am of Hamilton School's great students, fantastic and hard-working staff, and supportive parents for their efforts and support.

The report praises all aspects of the school explaining that **"pupils' learning and behaviour have increased significantly since the school opened"** and that **"pupils are expected to work hard, to behave well and to do their best"**. It also comments on the **"Trust's commitment to providing high-quality education for some of the most vulnerable pupils in the community is clear"**.

While we celebrate this achievement, we recognise that our journey does not end here. Our commitment to continuous improvement remains steadfast. We will build on this success by striving for excellence in all areas of our school's operations and ensuring that every student thrives.

This "Good" rating is not just a reflection of our past efforts but a promise of our future potential. We will continue to nurture a culture of high expectations, resilience, and aspiration by offering education, growth and opportunity!

Yours faithfully,

Sarah Concannon
Head Teacher
