Dear Parents/Carers

Uniform Expectations

We are writing to remind you of the importance of students following our uniform expectations.

Recently, we have noticed some students wearing multiple layers of trousers over each other. While we understand that students may wish to keep warm, this practice raises safeguarding concerns, as it can be used to conceal items that should not be brought into school.

To maintain a safe and secure environment for everyone, we kindly ask for your support in ensuring that your child comes to school wearing only one pair of trousers as part of their uniform.

Please be aware that if a student refuses to remove additional layers when asked, they may be sent home to change before returning to lessons.

Hamilton Uniform Expectations are listed below:

The required school uniform is as follows:

- Plain white polo shirt (i.e. with collar) or round neck tshirt
- Black/dark trousers – not jeans
- Dark shoes/trainers
- Burgundy sweatshirt with school logo
- Black coat

Students may wish to bring a change of clothes for PE and Sport, a place for changing will be provided. Suggested items for PE and Sport include:

- Shorts
- Polo shirt or T-Shirt
- Trainers suitable for sport
- Tracksuit bottoms

We appreciate your cooperation in helping us maintain high standards and safeguarding within our school community.

Thank you for your continued support.

Yours sincerely

S. Concannon
